

# REASONS TO JOIN

## Pay

It pays to be in the NUJ. In the past year – in deals that exclude collective pay awards – the NUJ secured more than £9million for its members; that's £25,000 every single day. The union negotiates on pay, freelance rates, pension terms, salary structures and paid holidays. It pursues companies over copyright infringements and non-payment of wages and fees. It wins equal pay cases and backdated salary, pension contributions, and pay-rises.
