

# REASONS TO JOIN

## Press Freedom

The NUJ lobbies for journalists' rights so you can protect your sources, have editorial independence and do your job safely and freely, without censorship from the state. As a member of the International Federation of Journalists we are part of a 600,000-strong community working to ensure the safety of media workers across the globe, fighting for freedom of information, open government and plurality of the media.

**Are you keeping good company?**
