

REASONS TO JOIN

Protection of Sources

The NUJ supports its members in upholding the vital principle of protecting sources – a key tenet of journalism. Over many years the union has provided full backing to countless NUJ members who have faced legal threats and prosecution in attempts to force them to disclose their sources and handover journalistic material and images. Whatever the nature of the challenge, the NUJ stands fullsquare behind its members in defending their right to maintain confidentiality.

Are you keeping good company?
